* On-Demand Stop

This schedule is for the introductory service (pilot project) and is subject to change depending on demand and route performance outcomes.

This shuttle is a regular fixed route. The stops and times are a set schedule. Use our flag down system, between the Intermodal and Monument Square, to stop the bus anywhere along the route. Closed door express service to Clinton and Worcester. (On-demand stops will only run if riders need them.)

Connect to a WRTA bus at their “Hub” across from Union Station. This allows you to travel well beyond the stops MART offers. (You can also catch the Commuter Rail into Framingham or South Station).

All schedules are Monday-Friday Only
