- The farebox screen will show the fare due for the route. The default is the full adult fare. Please notify and/or show your ID card to let the driver know you qualify for reduced fare when paying with cash.
- Please have your fare ready before you board the bus. Adult fare is \$1.25 so it is advised that you have the dollar and quarter ready and in your hand. The farebox will time out if don't put the money into the slots quickly. A timeout may issue an overpayment ticket and you will need to start over. You may use the payment ticket.
- Transfers tickets are available on most bus routes and will be issued only upon payment of fare. Riders
 must ask the driver for the transfer at the farebox while boarding. Transfers are automatically recorded on
 the MART Card when used to pay. Transfers must be used within 2 hours. MART does not charge for
 transfers.
- The farebox will accept all bills from \$1 to \$20 and issue an overpayment ticket for the difference in fare.
 These tickets must be kept safe by the rider. <u>Damaged or lost tickets will not be replaced as they have no cash value & are only redeemable for future rides on MART buses.</u>
- MART recommends that riders who frequently use cash to ride the bus store that cash as value on the new MART Card as it will always deduct the exact fare at the appropriate rate (Seniors, Disabled, and Students have a special card), and is easier to safeguard.
- MART also has a new feature called fare-capping. When a customer uses the MART Card with stored value to pay for single rides, if within a 31-day period from the first fare paid, you reach the value of a monthly pass—the rest of your rides are free until the 31-day period expires. You EARN your pass paying 1 ride at a time. This only happens if you use the card and NOT CASH.

How do I read this schedule?

All schedules are posted in the order of bus stops from left to right, and time of day from top (am) to bottom (pm). Times listed are the departure times from the associated stop unless otherwise indicated. **P.M. times are** in bold. Times highlighted in yellow are stop times on Saturday. Any time not highlighted is not performed on Saturday. Ex: Industrial Road

Each time table has a description of the roads traveled in order from start to finish of a single loop. This provides the rider with the streets and intersections where they can catch the bus between scheduled stops on MART's Iflag-down system. Snow route deviations are also listed for reference.
